

**Headlines** Dr. K. S. Rao joined as Senior Director in Toxicology Department

**Date** July 19 2006

**Description**

We are pleased to inform that Dr. K. S. Rao has joined our organisation as Senior Director in Toxicology Department. In this capacity he will handle the entire activity of the Toxicology operations.

After completing his BVSc at Osmania University, he went on to do his MVSc at Magadh University and PhD with honors in Toxicology and Nutrition from National Institute of Nutrition. He brings with him an immense 38 yrs of international experience in this field having worked in organizations such as Searle Labs, Dow Chemicals, Jai Research, MicaGenix. In his last assignment, he was Director of Toxicology at Aptuit Inc, Kansas city , US.

We extend a warm Welcome to him into the Advinus Family and wish him a fulfilling career here.
